

WHEN YOU VISIT OUR SHOWROOM

Our showroom is open Monday - Friday from 8am to 5pm, and you never need to make an appointment to visit! Sky Valley Cabinetry shares a showroom with our parent brand, Canyon Creek Cabinet Company, so you'll want to look for the Canyon Creek sign out front.

When you enter, the showroom is to your right. If you're meeting your contractor or designer, be sure to let the receptionist know you've arrived. Then come in and take a look around - we have a wide range of door styles, wood species and cabinetry types on display. Look for the framed info sheets in each area that describe the cabinetry shown.

Showroom Manager Paul Maikoski and Showroom Assistant Shanna Enns conduct frequent "product knowledge" demos, and are available to answer your questions during and after these presentations.

Paul suggests that when the showroom is busy, listen in on their conversations with other customers, and feel free to ask questions. They want to make sure you leave with all the information you need to make your cabinetry project a success!
